January is School Board
Recognition Month. Thank you
to the Conroe ISD School
Board for your dedication to
“Planting Seeds of Success”!

Zoning Scenario Update

An Attendance Boundary Committee (ABC) was formed this year for the purpose of creating the attendance zone for Suchma Elementary, a K-6 campus that will open in August, 2019 in the Harpers Preserve neighborhood. After several meetings of reviewing community feedback and input and evaluating dozens of possible scenarios, the ABC has released the scenario that it intends to recommend to the Board in January at

<https://www.conroeisd.net/about/attendance-boundary-process/>

When the decision is finalized, we will communicate further.

This scenario does not include program attendance, such as the Bilingual, PK or PPCD program. Any potential changes would be announced at a later date.
